

# School Tour

## 'Robotics'

An exciting opportunity for School Leaders

The tour will be facilitated by Glenn Payne, VPA Member Advisor and former Principal.

The VPA is offering a half day tour for participants to visit Glendal Primary School in Glen Waverley to hear from the Principal, Deborah Grosseck, and other staff about their **whole school Robotics Program**. This will be an opportunity for school leaders to explore aspects of establishing a whole school diversified robotics program.

**The visit will include: a school tour focusing on presentations**

- Overview of the establishment of a Robotics Program
- Resourcing
- Staff and student presentations
- Tour of their Science Room / Stem Centre

**Examples of student learning at all grade levels:**

- Botley - the Coding Robot- grade Foundation
- EV3 Robotics – middle school
- Humanoid NAO Robot – senior school
- FLL: First Lego League competition

Glendal Primary School has been a leader in the field of robotics for many years and has developed a comprehensive program over the past 12 years. Students have also competed at National and International level in the First Lego League Championships and in Robo Cup competitions nationally.

You can visit the school's website and view some of their robotics experiences and programs:
